OFFICE OF THE
DIRECTOR OF FOOD SUPPLIES
IN MYSORE,

No. TRC.5829/45-46.
ENCLS.

Bangalore, dated ...25th March ...1948.

FROM

K.Guru Dutt, Esq., B.A.,
Director of Food Supplies
in Mysore, Bangalore.

To

A.S.Khaleel, Esq., B.A., B.L.,
Secretary to Government, Food & Civil Supplies
Department, Bangalore.

SIR,

Subject: Construction of lorry-sheds at Shimoga.

I have the honor to state that in 1946, 12 more lorries were allotted for transport of food to the Shimoga District for being worked under the control of the Deputy Commissioner. It was necessary to protect them from sun and rain and the Deputy Commissioner proposed to have a shed constructed to house them during nights. In anticipation of approval, the Deputy Commissioner arranged for the work on an estimate from the Executive Engineer, Shimoga Division, Shimoga.

I enclose a copy of letter No.CS.HC.225/45-46 dated the 22nd July 1946 from the Deputy Commissioner, Shimoga together with a copy of the estimate amounting to Rs.4,000/- for the work in question and to state that a total expenditure of Rs.2,358/- has been incurred so far and that the roofing has not yet been put in. So also the flooring has not yet been provided. Now that the lorries are going to be withdrawn in view of the decontrol of foodgrains and consequent decrease in transport work, the proposed construction and completion of the sheds does not appear to be necessary. During my tour in Shimoga District last month, I felt that the construction need not be proceeded with. Instructions have therefore, been issued to dismantle the construction and dispose of the material in auction, the realisation thereof being credited to this Department.

I enclose also a copy of letter No.CS.2.P.R.426/47-48 dated the 3rd Feb.1948 from the Deputy Commissioner, Shimoga, in the matter for reference and to request that the action taken by me may kindly be approved

approved and sanction accorded for the expenditure of Rs.2,538/- only incurred so far against the estimate of Rs. 4,000/-.

I have the honor to be,
S i r,
Your most obedient servant,

Director of Food Supplies.

Subject: Lorry Sheds.

In continuation of this office letter No.CS.HC.225/46-7 dated 16-3-47, requesting instructions as to whether the construction of the lorry sheds has to be suspended or continued on account of the returning of 10 lorries, out of 12 supplied to this District and with reference to your letter No.TRC. 5829/45-46 dated 1st April 1947, instructing that the construction of the Sheds may be pushed through to completion, I have the honor to statethat, as there are only two lorries left at present, there is no necessity for the completion of the sheds. The matter was also examined by you personally during your recent tour in this District. As an outlay of only Rs.2358/- has been incurred so far as against the sanctioned estimate of Rs.4,000/- I request that orders may issue for abandoning the construction. On receipt of orders from you the Executive Engineer, Shimoga Division will be addressed in the matter of dismantling the existing construction and disposing of the existing material.
